## SPONSORSHIP OPTIONS

Two tiers of sponsorship opportunities are available at the 2008 NATRI/LRCR Joint National Conference. Tier One sponsorship includes the hospitality events, keynote speakers, and assistance with printing costs, totes, etc. The sponsor's name will be identified in the Conference Program and in other appropriate ways. The sponsors will introduce the keynote and Major Address speakers.

Tier Two sponsorship includes workshops. Benefits of a Tier Two sponsorship fee are:

- the sponsor's name will be listed in the final program as the sponsor of the workshop
- the sponsor has the option to open and close the workshop. Biographical information for speakers is printed in the Conference Registration Brochure this year.
